The Total Capital ratio figure as at 30 June 2020 of 19.1%, published in the Third Quarter 2020 Trading Update, excluded excess Tier 2 capital, consistent with one basis of calculation of the Total Capital ratio used within the Group. With effect from the date of this Supplement, the statement in paragraph 4 in the section "*Significant/Material Change*" on page 162 of the Base Prospectus shall be deleted and replaced with the following:

*"There has been no significant change in the financial position or financial performance of the Group since 30 June 2020, being the date of the Company's last published financial information."*
