(i) ***Transfers by Party A***

Section 7 of this Agreement will not apply to Party A, who will be required to comply with, and will be bound by, the following:

Without prejudice to Section 6(b)(ii), Party A may transfer all its interest and obligations in and under this Agreement upon providing no less than ten Business Days' prior written notice to the Security Trustee (save that where a transfer has taken place pursuant to Part 6(a) (*Ratings Downgrade Provisions*) or following the occurrence of an Event of Default where Party B is the Defaulting Party or a Termination Event where Party B is the Affected Party, notice may be contemporaneous with transfer and Party B will not be required to consent to such transfer), to any other entity (a "**Transferee**") provided that:

- (1) it is an Eligible Transferee;
- (2) as of the date of such transfer the Transferee will not, as a result of such transfer, be required to withhold or deduct any amount for or on account of Tax from any payments made under this Agreement (unless such Transferee agrees to pay additional amounts in respect of such Tax under Section 2(d) of this Agreement or its replacement (as applicable));
- (3) (judged as of the time of transfer) a Termination Event or an Event of Default will not immediately occur under this Agreement as a result of such transfer;
- (4) no additional amount will be payable by Party B to Party A or the Transferee on the next succeeding Payment Date as a result of such transfer;
- (5) the Transferee or Party A on its behalf agrees with Party B and the Security Trustee to pay all costs, expenses, fees and taxes (including stamp taxes) arising in respect of such transfer;
- (6) the Transferee accedes to the Transaction Documents to which Party A is a party in its capacity as Currency Swap Provider; and
- (7) the Transferee contracts with Party B on terms that:

- (x) have the same effect as the terms of this Agreement in respect of any obligations (whether absolute or contingent) to make payment or delivery after the effective date of such transfer; and
- (y) insofar as they do not relate to payment or delivery obligations, are, in all material respects, no less beneficial for Party B than the terms of this Agreement immediately before such transfer.

Following such transfer all references to Party A will be deemed to be references to the Transferee.

If Party B elects to determine whether or not a transfer satisfies the condition in Part 6(b)(i)(7)(y) above, it will do so in a commercially reasonable manner.

Notwithstanding the above, Party A may transfer all of its interests and obligations in and under this Agreement to a Transferee following an Event of Default where Party B is the Defaulting Party or a Termination Event where Party B is the Affected Party and any Settlement Amount is owed by Party B to Party A.

Save as provided above, or otherwise as provided for in this Agreement and notwithstanding Section 7, Party A will not be permitted to transfer (by way of security or otherwise) this Agreement nor any interest or obligation in or under this Agreement without the prior written consent of the Security Trustee, such consent not to be unreasonably withheld. The Security Trustee shall provide or withhold such consent within 10 Business Days of receipt by it of a request from Party A for such consent. For the avoidance of doubt, by failing to provide or withhold such consent the Security Trustee shall not be deemed to consent to such transfer.

“Eligible Transferee” means an entity which is both an Eligible Replacement (as defined in Part 6(a)(2)(iii)) and a Fitch Eligible Counterparty (as defined in Part 6(a)(1)(iii)).

(ii) ***Transfers by Party B***

Neither this Agreement nor any interest in or under this Agreement or any Transaction may be transferred by Party B to any other entity save with Party A’s prior written consent except that such consent is not required in the case of a transfer, charge or assignment to the Security Trustee as contemplated in the Deed of Charge or Section 6(b)(ii) of this Agreement.

Any transfer by Party B will be subject to the consent of the Security Trustee except if such transfer is made pursuant to and in accordance with Section 6(b)(ii) of this Agreement.

(c) **Termination Amounts**

If an Early Termination Date is designated at a time when Party A is (A) the Affected Party in respect of an Additional Termination Event or a Tax Event Upon Merger or (B) the Defaulting Party in respect of any Event of Default, paragraphs (i) to (vi) below will apply:

- (i) The definition of “**Market Quotation**” will be deleted in its entirety and replaced with the following:

“**Market Quotation**” means, with respect to one or more Terminated Transactions, a Firm Offer which is:

- (1) made by an entity which is an Eligible Replacement;
 - (2) for an amount that would be paid to Party B (expressed as a negative number) or by Party B (expressed as a positive number) in consideration of an agreement between Party B and such Eligible Transferee to enter into a transaction (the “**Replacement Transaction**”) that would have the effect of preserving for Party B the economic equivalent of any payment or delivery (whether the underlying obligation was absolute or contingent and assuming the satisfaction of each applicable condition precedent) by the parties under this Agreement in respect of such Terminated Transactions or group of Terminated Transactions that would, but for the occurrence of the relevant Early Termination Date, have been required after that date;
 - (3) made on the basis that Unpaid Amounts in respect of the Terminated Transaction or group of Transactions are to be excluded but, without limitation, any payment or delivery that would, but for the relevant Early Termination Date, have been required (assuming satisfaction of each applicable condition precedent) after that Early Termination Date is to be included;
 - (4) made in respect of a Replacement Transaction with terms that are, in all material respects, no less beneficial for Party B than those of this Agreement (save for the exclusion of provisions relating to Transactions that are not Terminated Transactions), as determined by Party B; and
 - (5) obtained by or on behalf of Party A or Party B.”
- (ii) If Party B elects to determine whether or not a Firm Offer satisfies the condition in sub-paragraph (4) of Market Quotation, it will do so in a commercially reasonable manner.
- (iii) The definition of “**Settlement Amount**” will be deleted in its entirety and replaced with the following:

“**Settlement Amount**” means, with respect to any Early Termination Date:

- (1) if, on or prior to such Early Termination Date, a Market Quotation for the relevant Terminated Transaction or group of Terminated Transactions is accepted by Party B so as to become legally binding, the Termination Currency Equivalent of the amount (whether positive or negative) of such Market Quotation;
 - (2) if, on such Early Termination Date, no Market Quotation for the relevant Terminated Transaction or group of Terminated Transactions has been accepted by Party B so as to become legally binding and one or more Market Quotations have been communicated to Party B and remain capable of becoming legally binding upon acceptance by Party B, the Termination Currency Equivalent of the amount (whether positive or negative) of the lowest of such Market Quotations (for the avoidance of doubt, (i) a Market Quotation expressed as a negative number is lower than a Market Quotation expressed as a positive number and (ii) the lower of two Market Quotations expressed as negative numbers is the one with the largest absolute value); or
 - (3) if, on such Early Termination Date, no Market Quotation for the relevant Terminated Transaction or group of Terminated Transactions has been accepted by Party B so as to become legally binding and no Market Quotations have been communicated to Party B and remain capable of becoming legally binding upon acceptance by Party B, Party B's Loss (whether positive or negative and without reference to any Unpaid Amounts) for the relevant Terminated Transaction or group of Terminated Transactions.”.
- (iv) At any time on or before the Early Termination Date at which two or more Market Quotations have been communicated to Party B and remain capable of becoming legally binding upon acceptance by Party B, Party B will be entitled to accept only the lowest of such Market Quotations (for the avoidance of doubt, (i) a Market Quotation expressed as a negative number is lower than a Market Quotation expressed as a positive number and (ii) the lower of two Market Quotations expressed as negative numbers is the one with the largest absolute value).
 - (v) In the event a notice designating an Early Termination Date has been delivered, if Party B requests Party A in writing to obtain Market Quotations, Party A will use reasonable efforts to do so before the Early Termination Date.
 - (vi) For the purpose of determining Unpaid Amounts, any payment or delivery obligation which was (or would have been but for Section 2(a)(iii)) required to be performed pursuant to paragraph 2 of the Credit Support Annex will be disregarded.

Section 11 shall be deleted in its entirety and replaced by the following: “A Defaulting Party or an Affected Party (if such Affected Party is Party A) will, on demand, indemnify and hold harmless the other party for and against the Termination Currency Equivalent of all reasonable out-of-pocket expenses, including legal fees and Stamp Tax, incurred by such other party by reason of the enforcement and protection of its rights under this Agreement or any Credit Support Document to which such Defaulting Party or Affected Party is a party or by reason of the early termination of any Transaction, including, but not limited to, costs of collection and costs incurred in connection with procuring a replacement for this Agreement (other than any amount paid or payable to a replacement counterparty).
